YESTERDAY'S CIRCULATION . . . . . DAILY AVERAGE FOR APRIL

OD forbid that we should be drawn into war but if we should be, America would seem once more to shake herself out of a dream to say, 'Did any man deem that we were asleep? Did any man deem that we had forgotten the traditions of America? Did any man deem that he could tamper with the honor or integrity of the United States?' And in the great voice of national enthusiasm which would be raised, all the world would stand once more thrilled to hear the voice of the new world asserting the standards of justice and liberty. PRESIDENT WILSON.
